

## Service information and prices from 01.09.2020

<b><u>Services reimbursed by KOSTAL</u></b>	
<b>Exchange fixed sums exclusively for installers / specialist companies</b>	
When exchanging certain components as part of warranty, we reimburse a net exchange fixed sum as follows. This is a goodwill service for which payment is offered on a voluntary basis and does not therefore give rise to any legal claims. This payment is only offered if the warranty is valid and the faulty device is returned to us. We also require an invoice showing the <b>KOSTAL reference number</b> , the type and serial number of the defective device, as well as indication of the sales tax (VAT). For B2B customers in the EU, the reverse charge process applies (our VAT no.: DE813742170). Please send invoices to the address below:  KOSTAL Industrie Elektrik GmbH An der Bellmerlei 10 58513 Lüdenscheid Germany
