

Self-declaration to using Maxim Integrated Optimizers

The company

KOSTAL Solar Electric GmbH
Hanferstraße 6
79108 Freiburg i. Br., Deutschland

herewith confirms the compatibility of the inverters:

PLENTICORE plus / PLENTICOTR plus G2 PIKO IQ PIKO 4.2 - 20

with PV modules incorporating **Maxim Integrated's optimizers**.

The following points should be noted:

- Shadow management in the inverter must be deactivated. Further settings are not necessary.

The PIKO inverter manufacturer's warranty and warranty obligations of KOSTAL Solar Electric GmbH remain in force as long as the above conditions are met.

This declaration applies to all identical copies of the product. The declaration loses its validity if a change is made to the device or if it is connected improperly or has not been set up according to the operating instructions.
