

Non Dual-Use Self-Declaration

The company

KOSTAL Solar Electric GmbH
Hanferstraße 6
79108 Freiburg i. Br., Deutschland

hereby declares that for the following products:

PIKO CI 30/50/60 PIKO CI 100

no export licences nor export permits are required for dual-use goods specified in the harmonisation legislation provisions listed below.

REGULATION (EU) 2021/821 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 20 May 2021 setting up a Union regime for the control of exports, brokering services, technical assistance in transit and transfer of dual-use items - in short: **Dual-use Regulation**.

The product in question is not classified by REGULATION (EU) No 2021/821 (Annex I) in the **Category 0**: Classification No. 0B001b13 for frequency changers (converters or inverters) and **Category 3**: Classification No. 3A225 for frequency converters or generators, because the frequency range for this product is fixed at 50 Hz.

The product concerned is not an item for digital surveillance within the meaning of REGULATION (EU) No 2021/821 Article 2(20) and Article 5.

The technical documentation is included in the currently valid operating manual.

The product concerned is not an item for digital surveillance within the meaning of REGULATION (EU) No 2021/821 Article 2(20) and Article 5.

This declaration applies to all identical specimens of the product. This declaration becomes invalid if a change is made to the unit or the unit is improperly installed.
