

Confirmation of registration

KOSTAL Solar Electric GmbH
Hanferstraße 6
79108 Freiburg
Germany

is registered according to the transposition of Directive 2012/19/EU (the WEEE Directive) into The Waste Law of 2011 - N185 (I) 2011 in

Cyprus.

The WEEE obligations are covered by membership in the collective system WEEE Electrocyclus Cyprus Ltd.

Cyprus does not require displaying any Eco fees (costs for collecting, treating and recycling electrical equipment) on invoices.

You may display the registration number on invoices and business documents but it is not required

Eppishausen, 12th January 2018
